

Sprint Backlog, Iteration # _1_

User Story	Task	Member responsible for the task	Task Assigned To	Estimated Effort per Task (in hours)	Priority (A—E) (A is highest)
As a user, I want to be able to have the tool correctly parse my data and be able to give me a basic visualisation of the data parsed.	Create and update a parser to parse gfa files	Lex	Lex and Marc	5	A
	Implement algorithms to create a clearer visualization	Jip	Jip, Marc and rest	20	C
	Implement a basic visualization	Jip	Jip and Marc	10	B
As a tester I want to ensure we start early with tests to ensure a satisfactory level of test coverage	Start making tests for the classes	Marc	Marc, Eric	10	C
	Research certain ways we could be able to test a GUI	Eric	Everyone	3	C
As a developer, I want to make sure we build our product wisely, as to ensure we do not run into big refactoring problems later in the development process.	Find the right libraries to use	Eric	Everyone	10	B
	Research design patterns to use in the project	Marc	Marc and Jasper	10	C
	Research other, similar, products to ours.	Jasper	Eric and Jasper	10	C
	Work well with GitHub projects to ensure clarity	Everyone	Everyone	5	B
